Wednesday 1st of November 2023

Welcome back for the second half of this Autumn Term.

We hope you and your family have managed to have a rest and are now ready for the run up to Christmas. This term is just under 8 weeks long but there is no doubt it will fly by, ending with the opportunity to welcome you into Healey School to watch our festive performances.

School closes for Christmas quite late this year with our final day being Thursday 21st of December.

School Photographs – Thursday 9th of November.

Tempest photography will be in school next week to take new photos of our pupils.

Your child's meal choices for this half term have now been entered into our computer system and cannot be altered until next half term.

Payment for school dinners is made via the new School Comms app.

We would like to say a big thank you to all of you who have already set yourselves up on the new School Comms app.

Healey School Halloween Disco

It's our Halloween Disco this evening.

Children to come along in fancy dress, there will be lots of fun activities, sweets to buy and stalls to visit – therefore they will need some loose change to buy things and take part.

All pupils attending will get a drink and something to eat.

Please accompany your child into school to register them at 4:30pm and pick them up again at 6pm. There is no need to stay with them.

Only current Healey pupils may attend.

Christmas Celebrations at Healey School.

I know Christmas seems a long way off, however I know how prepared our Healey parents like to be.

Therefore below are the dates of our Christmas performances this year.

Tuesday 12th of December – Year 3 and 4 performances at 2pm and 6pm

Wednesday 13th of December – Reception Nativity at 9:30am and 1:30pm

Wednesday 13th of December – Year 1 and 2 performances at 2pm and 6pm

Thursday 20th of December – Year 5 and 6 Carol Concert at 9:30am

Before and After School Club.

Our before and after school club is busier than it ever has been with often over 40 pupils attending both morning and evening.

We know that our club provides a vital service for our working families to provide wrap around care whilst many of you are busy at work.

It is only meant to be used for this purpose and not as an after school activity club.

It may be the case in the future that we will have to cap the numbers who can attend for safety reasons.

Please only use the club if you need it for child care reasons.

School Comms App

As you read earlier, all our payments for meals, trips, events and consent for competitions and clubs will eventually be done via the school comms app. To get set up you need to download School Gateway app from App store or Google Play store.

Please ensure that you have this installed on your mobile device – our school office can help you if need be.
